

Admission Requirements

Graduate Program for Real-World Data Circulation Leaders (RWDC Program) Application for 2015 (Screening of Undergraduate Students)

A limited number of students will be accepted as undergraduate students for the second year of the RWDC program, which will start in April 2015.

Admission requirements: Applicant must be a student of Nagoya University and must be accepted for admission in the Automotive Engineering Graduate Program, Graduate School of Engineering to start in October 2015.

Students must also be willing to participate in this program for 5 years from October 2015.

Key dates for the selection process:

1. Acceptance of applications: April 6 (Mon) - 5 PM April 16 (Thu), 2015
2. Schedule of interview: April 24 (Fri), 2015
3. Announcement of results: April 27 (Mon), 2015

The selection results will be sent via e-mail and announced on our website.

Application procedures:

Fill out the form below, and send it to application@rwdc.is.nagoya-u.ac.jp.

Students must submit all 3 items.

1. Application form: application form 2015 (PDF), application form 2015 (Excel)
2. Transcript: To be prepared by your undergraduate university and scanned.
3. Letter of recommendation: To be prepared by your current thesis supervisor or equivalent.

There is no application fee.

Note:

The accepted students will participate in the activities as part of the RWDC program from May 2015 to September 2015. During this period, the nominated students, who receive a high evaluation from the RWDC program committee members, will be accepted as official RWDC program students from October 2015 and will be financially supported.

For more information, please refer to the Admission Requirements (General Selection).
